

OLA – Information for Bachelor Economics Students

Section 2 - Sending Institution Information

The screenshot shows the 'Sending Institution Information' section with the following details:

- Country: Germany
- Name: Ludwig-Maximilians-Universität München
- Faculty/Department: Economics
- Address: München | Munich
- Erasmus Code: D. MUNCHEN01

The 'Sending Responsible Person' section includes:

- First name(s): [Redacted]
- Last name(s): [Redacted]
- Position: Exchange Program Coordinator
- Email: exchange@econ.lmu.de

- ➔ Faculty/Department: Economics
- ➔ For name of responsible person see website: <https://www.student-exchange.econ.uni-muenchen.de/contact/index.html>
- ➔ Position: Exchange Program Coordinator
- ➔ Email: exchange@econ.lmu.de

Section 4 - Proposed Mobility Programme

All courses you will be attending at your host university must be listed in Table A. Only courses which can be recognized at LMU must be named in Table B. Any courses which cannot be recognized have to be listed in Annex II (see Moodle course “Erasmus Outgoings akademisches Jahr 20XX/XX” for document). Please see below examples for 1. the recognition as compulsory module, 2. the recognition as optional module and 3. no recognition.

1. Pflichtmodule: Courses, which will be recognized as compulsory modules at LMU

- ➔ Fill in Table A with information as given by the receiving institution
- ➔ Table B:
 - component title as given by the receiving institution AND indicate in brackets that it is a compulsory course AND as which compulsory module the course will be recognized
 - component Code: P

Example: The course “Public Economics” will be recognized as the compulsory module “Finanzwissenschaften II”

- ➔ component title in table B: Public Economics (VWL Pflichtmodul: Finanzwissenschaften II)
- ➔ component code in table B: P

The screenshot shows the following details for Table A and Table B:

Table A - Study programme at the Receiving institution

- Component title at the Receiving Institution: Public Economics
- Component Code: ECON123
- Number of ECTS credits: 6
- Semester: First semester (Winter/Autumn)

Table B - Recognition at the Sending institution

- Component title at the Sending Institution: Public Economics (VWL Pflichtmodul: Finanzwissenschaften II)
- Component Code: P
- Semester: First semester (Winter/Autumn)

2. Wahlpflichtmodule: Courses, which will be recognized as optional modules at LMU

- ➔ Fill in Table A with information as given by the receiving institution
- ➔ Table B:
 - component title as given by the receiving institution AND indicate in brackets that it is an optional course
 - component Code: WP

Example: The course "Game Theory" will be recognized as an optional module

- ➔ component title in table B: Game Theory (VWL Wahlpflichtmodul)
- ➔ component code in table B: WP

Table A - Study programme at the Receiving institution *

Component to Table A Remove

Component title at the Receiving Institution (as indicated in the course catalogue) *

Game Theory

An "educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

Number of ECTS credits (or equivalent) to be awarded by the Receiving Institution upon successful completion *

Component Code *

ECON123

6

ECTS credits (or equivalent) in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.

First semester (Winter/Autumn)

Add Component to Table A

Table B - Recognition at the Sending institution *

Component to Table B Remove

Component title at the Sending Institution (as indicated in the course catalogue) *

Game Theory (VWL Wahlpflichtmodul)

An "educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

Number of ECTS credits (or equivalent) to be recognised by the Sending Institution *

Component Code *

WP

6

ECTS credits (or equivalent) in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.

Automatically recognised towards student degree

Automatic recognition comment

Add Component to Table B

3. Courses, which cannot be recognized for the degree of Economics at LMU

- ➔ Fill in Table A with information as given by the receiving institution
- ➔ Table B: no entry for the respective course, instead fill in Annex II indicating reason B for non-recognition

Example: The course "Spanish for international students" cannot be recognized

Table A - Study programme at the Receiving institution *

Component to Table A Remove

Component title at the Receiving Institution (as indicated in the course catalogue) *

Spanish for international students

An "educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

Number of ECTS credits (or equivalent) to be awarded by the Receiving Institution upon successful completion *

Component Code *

LC123

6

ECTS credits (or equivalent) in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.
