

OLA – Information for Master Economics Students

Section 2 - Sending Institution Information

The screenshot shows the 'Sending Institution Information' section with fields for Country (Germany), Name (Ludwig-Maximilians-Universität München), Faculty/Department (Economics), Address (München | Munich), and Erasmus Code (D. MUNCHEN01). The 'Sending Responsible Person' section includes fields for First name(s), Last name(s), Position (Exchange Program Coordinator), and Email (exchange@econ.lmu.de).

- ➔ Faculty/Department: Economics
- ➔ For name of responsible person see website: <https://www.student-exchange.econ.uni-muenchen.de/contact/index.html>
- ➔ Position: Exchange Program Coordinator
- ➔ Email: exchange@econ.lmu.de

Section 4 - Proposed Mobility Programme

All courses you will be attending at your host university must be listed in Table A. Only courses which can be recognized at LMU must be named in Table B. Any courses which cannot be recognized have to be listed in Annex II (see Moodle “Erasmus Outgoings akademisches Jahr 20XX/XX” course for document). Please see below examples for 1. the recognition as compulsory module, 2. the recognition as optional module and 3. no recognition.

1. Compulsory Modules: Courses, which will be recognized as compulsory modules at LMU

- ➔ Fill in Table A with information as given by the receiving institution
- ➔ Table B:
 - component title as given by the receiving institution AND indicate in brackets that it is a compulsory course AND as which compulsory module the course will be recognized: [Course title] (Economics Compulsory Module: [Name of CM])
 - component Code: CM

Example: The course “Public Economics II: Theory of Taxation” will be recognized as the compulsory module “Public Economics”

- ➔ component title in table B: *Public Economics II: Theory of Taxation (Economics Compulsory Module: Public Economics)*
- ➔ component code: CM

Table A - Study programme at the Receiving institution *

Table A - Study programme at the Receiving institution *

Component title at the Receiving Institution (as indicated in the course catalogue) *

Public Economics II: Theory of Taxation

Component Code *

ECON123

Number of ECTS credits (or equivalent) to be awarded by the Receiving Institution upon successful completion *

6

Semester *

First semester (Winter/Autumn)

Table B - Recognition at the Sending institution *

Table B - Recognition at the Sending institution *

Component title at the Sending Institution (as indicated in the course catalogue) *

Public Economics II: Theory of Taxation (Economics Compulsory Module: Public Economics)

Component Code *

CM

Number of ECTS credits (or equivalent) to be recognised by the Sending Institution *

6

Semester *

First semester (Winter/Autumn)

2. Optional Modules: Courses, which will be recognized as optional modules at LMU

- ➔ Fill in Table A with information as given by the receiving institution
- ➔ Table B:
 - component title as given by the receiving institution AND indicate in brackets that it is an optional course: [Course title] (Economics Optional Module)
 - component Code: OM

Example: The course “Empirical Industrial Organization” will be recognized as an optional module

➔ component code in table B: Empirical Industrial Organization (Economics: Optional Module)

➔ component code in table B: OM

Table A - Study programme at the Receiving institution *

Component to Table A Remove

Component title at the Receiving Institution (as indicated in the course catalogue) *

Empirical Industrial Organization

An "educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

Number of ECTS credits (or equivalent) to be awarded by the Receiving Institution upon successful completion *

Component Code *

ECON123

6

Semester *

First semester (Winter/Autumn)

ECTS credits (or equivalent): in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.

Table B - Recognition at the Sending institution *

Component to Table B Remove

Component title at the Sending Institution (as indicated in the course catalogue) *

Empirical Industrial Organization (Economics Optional Module)

"Educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

Number of ECTS credits (or equivalent) to be recognised by the Sending Institution *

Component Code *

OM

Semester *

First semester (Winter/Autumn)

ECTS credits (or equivalent): in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.

Automatically recognised towards student degree

Automatic recognition comment

3. Courses, which cannot be recognized for the degree of Economics at LMU

- ➔ Fill in Table A with information as given by the receiving institution
- ➔ Table B: no entry for the respective course, instead fill in Annex II indicating reason B for non-recognition

Example: The course “Spanish for international students” cannot be recognized

Table A - Study programme at the Receiving institution *

Component to Table A Remove

Component title at the Receiving Institution (as indicated in the course catalogue) *

Spanish for international students

An "educational component" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.

Number of ECTS credits (or equivalent) to be awarded by the Receiving Institution upon successful completion *

Component Code *

LC123

6

Semester *

First semester (Winter/Autumn)

ECTS credits (or equivalent): in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.

Add Component to Table A

Annex II

Kursnummer (falls vorhanden)	Kurstitel (wie im Kurskatalog der Gastuniversität angegeben)	Semester (WS/SoSe)	Anzahl ECTS-Punkte	Kurs wird für das Haupt-/Nebenfach belegt	Grund für Nicht-Anerkennung (s.u. Grund A, B oder anderes)
LC123	Spanish for international students	WS 2022/23	6	X	B
			Total:		

Grund A: Der/die Studierende hat bereits alle erforderlichen ECTS- Punkte für den Studiengang gesammelt und benötigt keine Anerkennung der im Ausland absolvierten Kurse.

Grund B: Der/die Studierende belegt freiwillig fachfremde Kurse, die nicht für seinen/ihren Studiengang anerkannt werden können.

Anderer Grund/Kommentare:
